### *CALLING ALL TEENS VAN ASSELT TEEN PROGRAM NEEDS YOU AND YOUR TALENT*

Attention all bored Teens ,

Do you need something to do? Then join the Van Asselt Teen Group. We would be glad to have you and your talents no matter what they are , so come out and get to know the teens in your neighborhood and other teens from other Community Centers.

The Teen Program offers many educational and fun programs.

Our newest program is photography. Come and learn photography and make a calendar with your picture on your birthday month.

Van Asselt teens would like you to bring your family and friends out for a volleyball game. May the best team win!

Let's not forget about giving back to our community by doing restoration in or out of your neighborhoods. (A helping hand is always appreciated).

Want to talk about it? Well we can do that to, feel free to join us on group talk night and relieve whatever is on your mind.

## *TEEN COUNCIL*

Come and see what you can do to make a difference in your life and your community also, meet the Mayor of Seattle and discuss what problems or concerns that needs to be addressed to make your community or school a better place to invite your family and friends to visit.
